Background & Rationale

Sexual harassment infringes on two fundamental rights guaranteed under the Indian Constitution: the right to gender equality (Article 14) and the right to life and dignity (Article 21).

In 1997, the Supreme Court of India issued binding guidelines for addressing sexual harassment, which include defining it, preventing it, disciplining offenders, and ensuring that employers maintain a harassment-free workplace.

To uphold these guidelines, Jamia Nadwiyya Women's Arabic College has established an Internal Complaints Committee (ICC). This committee is responsible for handling complaints related to workplace sexual harassment against women. Additionally, the ICC focuses on raising awareness, offering counseling, and educating the college community on gender issues. These topics are integrated into induction programs and gender sensitization workshops for both staff and students.

Jurisdiction

The policies and regulations of the ICC apply to all students, faculty, and non-teaching staff at Jamia Nadwiyya Women's Arabic College. They also extend to service providers and visitors within the college premises at the time of any incident.
