

ALUMNI FEEDBACK REPORT ON CURRICULUM 2021-22

INTRODUCTION

Alumni feedback report is an invaluable resource for our institution providing critical insights into effectiveness of our programs and services. This effort helps to stay connected with our graduates and continuously improve our programs. It aims to capture the reflections on how our education has impacted the personal and professional development, and to gather the feedback on the aspects of our institution that were most beneficial or could be enhanced. It will help us understand the long-term value of our programs and contribute to the continuous improvement of our educational offerings.

METHODOLOGY

Data was collected through a questionnaire distributed to ten alumnus. The questionnaire consisted of eight questions, each with five response options: excellent, very good, good, average and below average.

STUDENTS FEEDBACK REPORT ON CURRICULUM

2021-22

INTRODUCTION

A student feedback report is a structured document used to provide a comprehensive overview of a student's opinions and experience regarding a course, instructor, or educational program. It supports academic growth and helps to succeed by offering constructive feedback on various aspects of participation, assignments, and overall contribution.

A well-prepared student feedback report helps educators understand student's perspectives, improve teaching methods, and enhance the overall educational experience.

METHODOLOGY

Data was collected through a questionnaire distributed to 94 students. The questionnaire consisted of nine questions, each with five response options: excellent, very good, good, average and below average.

CONCLUSION

The feedback highlights the team's both strengths and areas needing improvement. The team has been successful which has been greatly appreciated. However, there is a clear need to improve theoretical coverage, interdisciplinary learning, research opportunities, cultural awareness, library infrastructure, and especially career guidance and placement services.

TEACHER'S FEEDBACK REPORT ON CURRICULUM 2021-22

INTRODUCTION

Teacher's feedback report is designed to provide an overview of teaching performance. It will support professional growth and enhance teaching practice. This feedback on curriculum recognizes and appreciates the on-going commitment to creating a positive and effective learning environment for the students. It reflects observations and evaluations aimed at celebrating the successes and identifying areas where additional support may be beneficial.

The report includes an analysis of personal reflection and areas for improvement, offering specific recommendations and resources to aid in your development. It concludes with a summary of strengths and achievements, along with a forward-looking action plan to guide continued growth

METHODOLOGY

Data was collected through a questionnaire distributed to six teachers. The questionnaire consisted of nine questions, each with five response options: excellent, very good, good, average and below average.

ALUMNI FEEDBACK ACTION TAKEN REPORT 2021-22

Alumni feedback is an invaluable resource for enhancing educational programs and institutional practices. It provides insights from former students who have firsthand experience with the curriculum, training, and support services.

This feedback helps identify strengths and areas for improvement, ensuring that the institution's offerings remain relevant and effective. In response to the feedback provided by our alumni, we have undertaken several key actions to enhance our programs and support services. Alumni highlighted the need for stronger practical applications and career preparation within the curriculum.

In response, we have integrated more hands-on projects, internships, and real-world case studies into our courses. Additionally, alumni requested better networking opportunities and continued support post-graduation. To address this, we have established a dedicated alumni network that facilitates ongoing engagement and professional development through events, webinars, and mentorship programs.

Furthermore, feedback on the need for updated industry-relevant content led to curriculum revisions that incorporate current industry trends and technologies. These changes have been implemented to ensure our programs remain relevant and provide our graduates with the skills and support necessary for continued success in their careers.

ALUMNI FEEDBACK ACTION TAKEN

Suggestions	Action Taken
Regularly review and update the curriculum based on emerging trends and feedback from current students and alumni.	We have initiated a biennial curriculum review process involving faculty, industry experts, and alumni to ensure that the curriculum remains current and relevant.
Enhance the training and resources available to faculty to improve the effectiveness of curriculum delivery.	Professional development workshops and training sessions have been implemented for faculty to improve teaching methodologies.
Strengthen the integration of practical, real-world applications within the curriculum.	More industry-based projects, internships, and case studies have been incorporated into the curriculum to enhance practical relevance and application.
Evaluate and refine the CBCSS framework to ensure it enhances the quality of higher education.	A review committee has been established to improve its impact on educational quality

STUDENTS FEEDBACK ACTION TAKEN REPORT 2021-22

The feedback revealed several critical areas needing improvement. Specifically, students expressed a desire for more engaging and interactive teaching methods, reported dissatisfaction with the condition of campus facilities, experienced delays in administrative processes, and requested enhanced support services.

This report outlines the actions taken in response to student feedback, detailing the specific areas of concern raised, the measures implemented to address these issues, and the subsequent outcomes. It serves to document how student input has been integrated into institutional practices to enhance the overall educational experience, ensuring transparency and accountability in the process.

In response, we implemented several targeted actions: we revamped the curriculum to incorporate more interactive teaching techniques and group activities, upgraded the library's furniture and lighting to create a more conducive study environment, streamlined administrative procedures to expedite processing times, and expanded our career counseling services by adding additional appointment slots and new workshops.

These measures have already led to noticeable improvements in student engagement and satisfaction. The upgraded facilities and enhanced support services have been particularly well-received, with students reporting a more positive and supportive campus experience. Looking ahead, we are committed to addressing any ongoing issues and will continue to seek and act on student feedback to foster an environment of continuous improvement and support.

STUDENTS FEEDBACK ACTION TAKEN

SUGGESTIONS	ACTION TAKEN
Improve the clarity and comprehensibility of lectures and instructional materials through structured feedback mechanisms and faculty training.	Improve the clarity and comprehensibility of lectures and instructional materials through structured feedback mechanisms and faculty training.
Explore and integrate diverse teaching methods to cater to different learning styles and improve engagement.	We have introduced a variety of teaching methods, including interactive lectures, flipped classrooms, and multimedia tools.
Ensure that essential textbooks, reference materials, and online resources are readily available and up-to-date.	The library's collection has been expanded to include the latest textbooks and reference materials.
Regularly assess and address student satisfaction with the degree program to ensure it meets expectations and needs.	We conduct annual surveys to gauge student satisfaction with the degree program and use the results to make continuous improvements.

TEACHERS FEEDBACK ACTION TAKEN REPORT 2021-22

Educational institutions depend on teachers' feedback as a crucial element for fostering an environment of continuous improvement and excellence. Teachers, being on the front lines of instruction and student interaction, provide valuable insights into the effectiveness of curriculum delivery, classroom management, and overall student engagement. Their feedback helps institutions identify strengths and areas for development, guiding adjustments to teaching strategies, resources, and policies.

In response to the recent feedback received from students and parents, several targeted actions have been implemented to address the highlighted areas for improvement. For instance, in the area of classroom management, new strategies such as clear behavioral expectations and more structured routines have been introduced, aiming to foster a more organized and conducive learning environment.

Additionally, feedback regarding teaching methods has led to the adoption of interactive and engaging techniques, including the use of multimedia resources to enhance student participation. Communication with parents has been improved through regular updates and feedback channels to ensure better collaboration. These actions were initiated promptly and are being monitored through regular assessments to evaluate their effectiveness and make further adjustments if necessary. The overall goal is to continuously refine teaching practices and improve the educational experience for all students.

TEACHERS FEEDBACK ACTION TAKEN

SUGGESTIONS	ACTION TAKEN
Ensure that the curriculum offers comprehensive coverage of fundamental concepts and topics within each subject.	The curriculum has been reviewed and adjusted to ensure it covers key concepts thoroughly. Enhanced course outlines and additional supplementary materials have been added to provide a more complete understanding of each subject.
Align learning outcomes with international standards and best practices to ensure global relevance.	Learning outcomes have been benchmarked against global standards and revised accordingly.
Incorporate modular and adaptable elements within the curriculum to accommodate evolving academic trends and needs.	The curriculum has been designed with modular components that allow for easy updates and integration of new academic trends.
Enhance the evaluation system to ensure it is effective, transparent, and aligned with program goals.	The evaluation system has been revised to include clear criteria, regular assessments, and transparent feedback mechanisms.
